WE DEDICATE

TO

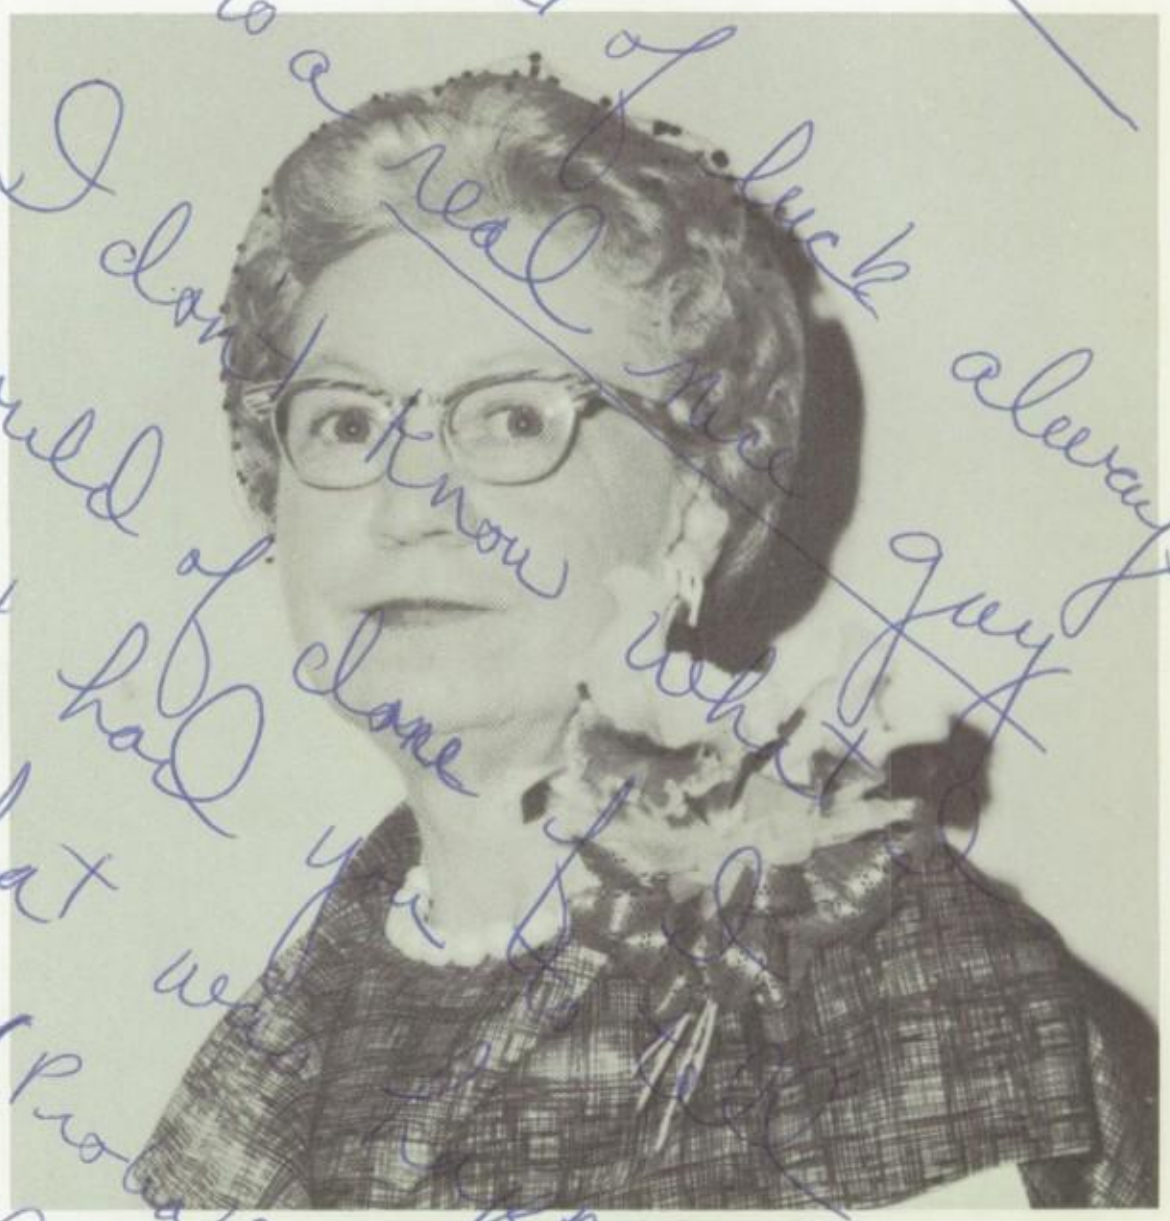
HAZEL SCALF

Teachers are sometimes spoken of as "reapers of unseen harvests". Hazel Scalf, at the close of a teaching career which spans forty-five years, has done much harvesting. One of her richest fields is undoubtedly represented in her forty-year advisorship of Y-Teens. Another field of service is that of class advisor. Many a Senior Banquet, many a Senior Prom has climaxed her work with the students who were assigned to her as sophomores and whom she sent on their way, in cap and gown, on graduation night. But perhaps the richest field of all is that which — for a true teacher — brings greatest satisfaction in retrospect, the steady day-by-day training of the young minds entrusted to her care.

OUR 1962 ORACLE

TO

EDITH JOHNSON



Quiet and unassuming, but with the sure hand of a master teacher, Edith Johnson has given of herself to generations of business students during her thirty-three and a half years of teaching. For years she was advisor for the Commerce Club where business principles of integrity were instilled into young people who were training to step out into the business world. As a class advisor and as chairman of her department, she guided all activities for which she was responsible with gracious thoughtfulness and with a faithfulness which recognized no deviation from duty. She held a warm place in the hearts of her homeroom students, giving to them the same loyalty that made her friendship prized among her colleagues.

A BAG OF TOOLS

Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings,
And common people
Like you and me
Are builders of eternity?

Each is given a bag of tools,
A shapeless mass,
A book of rules;
And each must make —
Ere life is flown —
A stumbling block
Or a steppingstone.

a bag of tools

Foreword

It is doubtful that any of us could get along without the tools we use in our everyday lives, the books, the knowledge, and the experiences. Also it is undeniably important to our future that we use these tools to the fullest extent to gain from them the greatest possible benefits. The 1962 Oracle has attempted to present some of the tools used by the students and faculty of Sexton High School both in living their everyday lives and in preparing for the future.

Administration

A smoothly functioning school, like a huge and complicated piece of power machinery, needs someone to throw the switch and turn on the electric current. Over the years, there are many adaptations and changes in our power tool itself, but the need for a source of energy is always present. Our administration performs this function for J. W. Sexton High School.

Seniors

In these, the closing days of high school, the members of the class of '62 are busy taking inventory. Earnestly we evaluate the triumphs and disappointments of the past three years. During these three short years, many new tools have been placed in our hands by members of the faculty, and many an old tool has been sharpened and polished. Whatever we have accomplished, we realize that these tools are the equipment with which we must face the future.

The years change . . . the students change . . . but this scene is a perennial. Once again . . . it is June, and graduation time. In these Sexton seniors, lined up for "practice", and moving to the strains of "Pomp and Circumstance" toward the auditorium, each member of the Class of '62 may well envision himself as one of the never-ending triumphal procession.

Although of junior standing, "Larry" Hill had many friends among the members of this year's graduating class here at Sexton High School. Death came tragically, as the result of an auto accident, in December, 1961.

Departments

Teachers are the implements through which we gain that most desirable of all possessions— knowledge. Without teachers there would be no learning, for it is they who pass on to us this great gift. Too often we are not aware of the value of our teachers or the part they play in our futures until we are out of high school. We salute the faculty of Sexton High School and thank the members for their priceless contribution.

Activities

Studies are only a part of what goes on at Sexton. Belonging to clubs and other organized groups can be lots of fun. It can be many other things, too! By joining in the activities of a group, you can learn new skills, perfect old ones, develop new interests, and make warm friends. Sextonites are lucky to have so many and such varied activities.

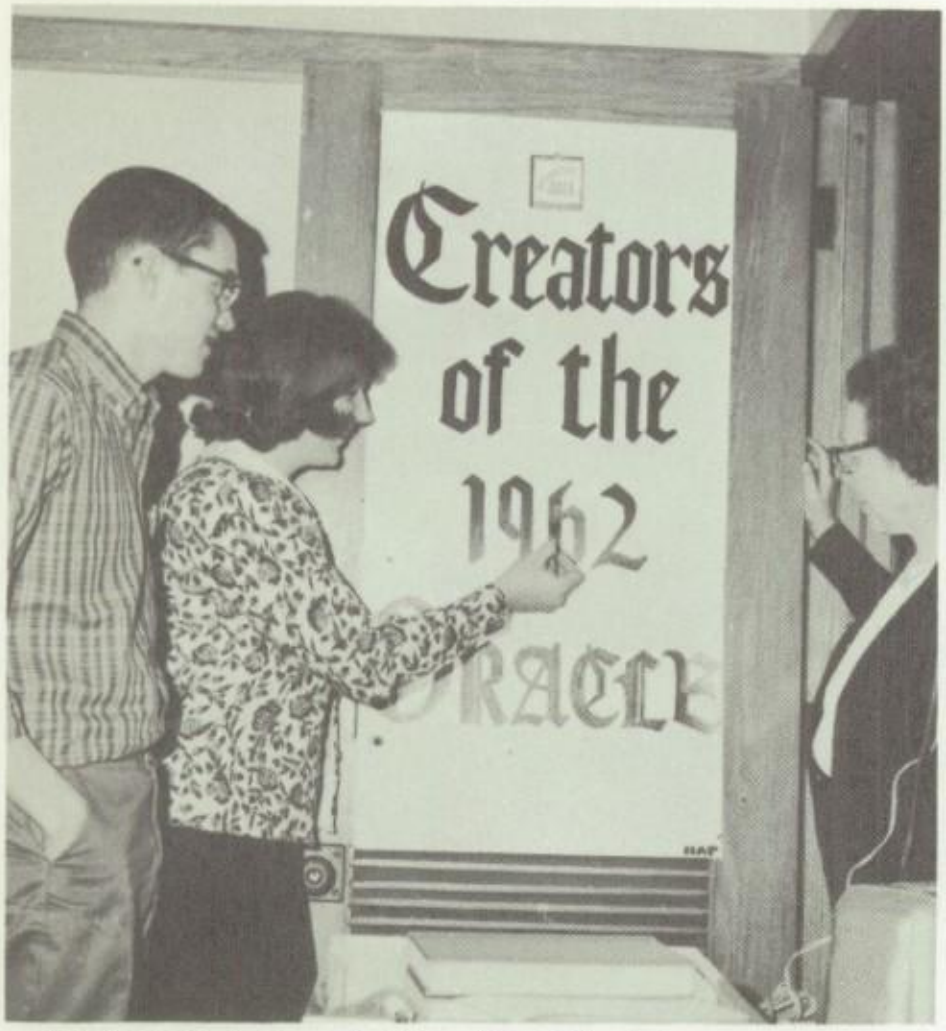
Oracle



Editor Randy Smith, and Advisor Miss Fuller look on as Holly Forgrave puts finishing touches on the Oracle door sign for the coming year.

Editor-in-chief of the 1962 Oracle was Randy Smith. Mary Ann Hetherington was the staff typist and compiled the all-school index. Art throughout the book was done by Holly Forgrave. Judy Crane was in charge of the administration and departments sections. Heading the activities section was Judy Clark. Fred Moye, assisted by Galen Watterson, took care of the sports section. The seniors were handled by Sue Bostrom and Karyl Stark, and the underclassmen by Greg Pitts. Sallye Brown and Bill Hunsberger were in charge of the music section. Other Associate Editors who worked on a variety of assignments were Jack Dunn and Chuck Henderson. All work was supervised by Miss Florence Fuller, yearbook advisor.

Forensics and Debate

The debate question for '61-'62 was "Resolved: That the Federal Government should equalize educational opportunity by means of grants to the States for public elementary and secondary education." Sexton debaters this year split with Eastern for the Paul A. Martin Award by winning the negative and defeated them in the 6-A and Capitol City League debates, which Sexton won for the first time in 14 years. Sexton finished 3rd in the district losing to Flint Northern, the State runners-up in a split decision. The overall record in official debates this year was 10-4, winning another debate plaque from the University of Michigan.

Jack Dunn, Sue Andreas, Sharon Melton practice their oratory on Mr. Montgomery.

3rd Row: G. Watterson, F. Moye, J. Dunn, J. Blohm. 2nd Row: S. Andreas, K. Harding, B. Leeper, L. Pritchard, J. Gowman, S. L. Martin. 1st Row: K. Connor, K. Liebold, L. Melton, S. Melton, J. Pollock.

There are five divisions of Forensics; Declamation, which is restricted to sophomores, consists of giving some famous speech from memory; Interpretative Reading, is the giving of an interpretation of a scene from a play, a piece of poetry or a classic piece of literature; Humorous Reading, is the giving of an interpretative reading of a humorous piece; Extempore Speaking involves giving a speech after an hour of preparation, on a topic that they draw; Original Oratory, consists of two parts, the writing of a speech on a current topic and the presenting of it. The students that were chosen to represent Sexton went to Jackson to compete in the district and 6-A meets.

Mr. Montgomery supervises as Sue Andreas practices her forensics speech on other members, Linda Martin, Bob Hay, Judy Gowman, and Jack Dunn.

Galen Watterson, Fred Moye, Sharon Melton, Karen Liebold, Linda Pritchard, and Kay Harding admire their debating trophy.

Galen Watterson presents his case while Fred Moye, Sharon Melton, and Linda Pritchard look on.

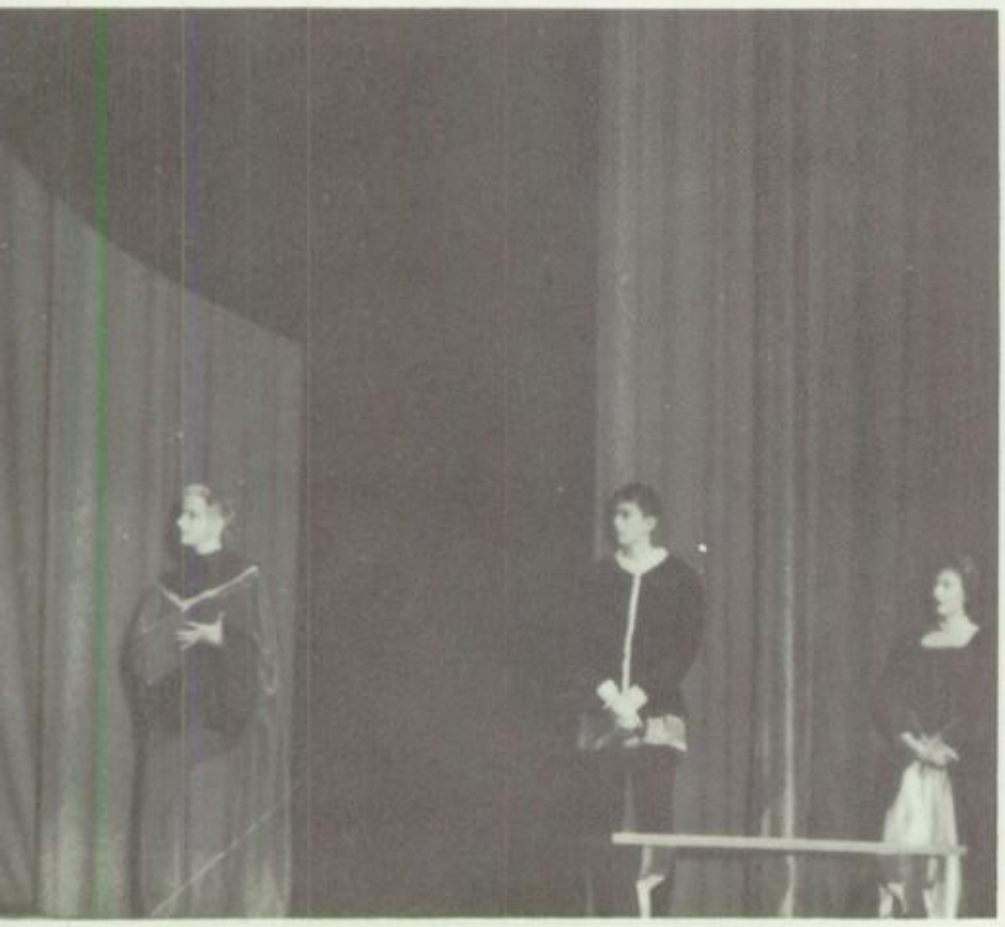
Parrott Players

Randy Glum, Marge Moe, Roger Massie, Gary Felts, Nancy Albert, Barb Crane, and Ron Raettig make up the cast of *The Ugly Duckling* which was presented at an all school assembly.



Nancy Albert, Roger Massie, Marge Moe, Ron Raettig, Gary Felts, Randy Glum, and Barb Crane in one of the scenes from their play *The Ugly Duckling*.

Susan Andreas, Gary Felts, Jim Lee, Dan McLellan, and Susan Green rehearse a Parrot Players production.

Audio - Visual

The Audio Visual department is a hard working, little known part of Sexton. The job of the people who have charge of the audio visual aids is to make sure that all of this equipment in the building is in perfect working condition. This is a completely voluntary organization, and to participate in it the boys must give up their homeroom and some of their noon hours. Mr. Madjeski coordinates the efforts of these students who are often encountered in our busy halls transporting equipment from one room to another.

Underclassmen

The underclassmen, though not fully aware of the work and satisfaction involved in being a senior, nevertheless are striving to reach the goal of all Senior-A's — Graduation. Close association between classes has been beneficial to all. The Class of 1962 thanks the juniors and sophomores for this fellowship, and wishes them luck in their next years at Sexton High School.

A shoulderpad hits the blocking dummy while cleats dig up the field going down under a punt . . . tired runners kick through the finish chute after two long miles . . . the mat creaks from the strain of a wrestler trying to pin his opponent . . . the pool resounds to the crack of the starter's gun . . . and a basketball swishes through the net . . . a bat cracks sending a screaming drive into the shortstop's glove . . . a golf ball dribbles slowly into a cup . . . and a tennis ball skips over the net . . . with spikes digging into the cinder track, the last man of a relay takes the baton — then as he breaks the tape and the crowd drifts away, the sports season is over. The following is a record of the '61-'62 sports season with its triumphs and griefs, championships and losses, also a salute to the Big Reds of Lansing's J. W. Sexton High School who did so much to make the past year memorable.

In 1946 Lansing Sexton had its first undefeated State Championship Football Team; now, a decade and a half later, it has another one. The road to this championship was a long hard one that included a fourth down pass from Bob Lorraine to Russ Ridge (who literally stumbled over the goal to beat Everett), a defensive stand on the 7 yard line that saved a 13-7 victory over East Lansing, and the blocked extra point that gave us the Ann Arbor game.

The road began with a 37-7 victory over highly ranked Muskegon. In that victory the Big Reds showed themselves to be a power in the state for the '61 season. Following the Muskegon victory, the Big Reds came home to take the Vikings of Everett. Due to a let down after the Muskegon victory, Sexton gave away the first half and had to work hard to pull out a 7-0 victory over an inspired Viking squad. This game showed that Sexton again had a first rate Apache defensive unit. At Kalamazoo, Sexton continued on the victory trail with a 20-14 triumph in a game played mostly by reserves.

The following game with Ann Arbor turned out to be the deciding game for the 6A championship. Sexton scored first on a 76 yard drive, but Ann Arbor put on a march of their own and scored in the second quarter. However, the Apaches came through and blocked the extra point and gave us the victory. The Apaches continued to show their worth. With the score 13-6 in the final minutes of the East Lansing game, they held on their own 7 yard line.

The final three games have scores that speak for themselves: Sexton 18, Battle Creek 0; Sexton 45, Jackson 0; Sexton 13, and Eastern 0. With the final gun of the Eastern game, Sexton ended their season as City, 6A, and State Champions.

The Big Reds Championship team was coached to victory by Bob Campbell, Clayton Kowalk, Russ Maples, Bob Boshoven, and Ed Majdeski.

Junior Varsity Football

Although not quite as fortunate as the Big Reds, the Little Reds still had a very successful season. They started well by beating Everett's Little Vikings 20 to 0. The next week the Junior Varsity had their only reverse when they lost a good game to East Lansing 26 to 7. However, they bounced back with a 26 to 12 victory over the Battle Creek Little Bearcats, and through the rest of the season showed that they took the coaching of Mr. Kowalk and Mr. Campbell to heart as they marked up victories over Owosso, 21 to 6; Jackson, 45 to 0; and Kalamazoo, 36 to 6. In their final game of the season the Little Reds ended on a truly high note as they downed our cross-town opponents, the Eastern Quakers, 20 to 7. The Little Reds of '61 have shown the Championship quality of Sexton footballers.

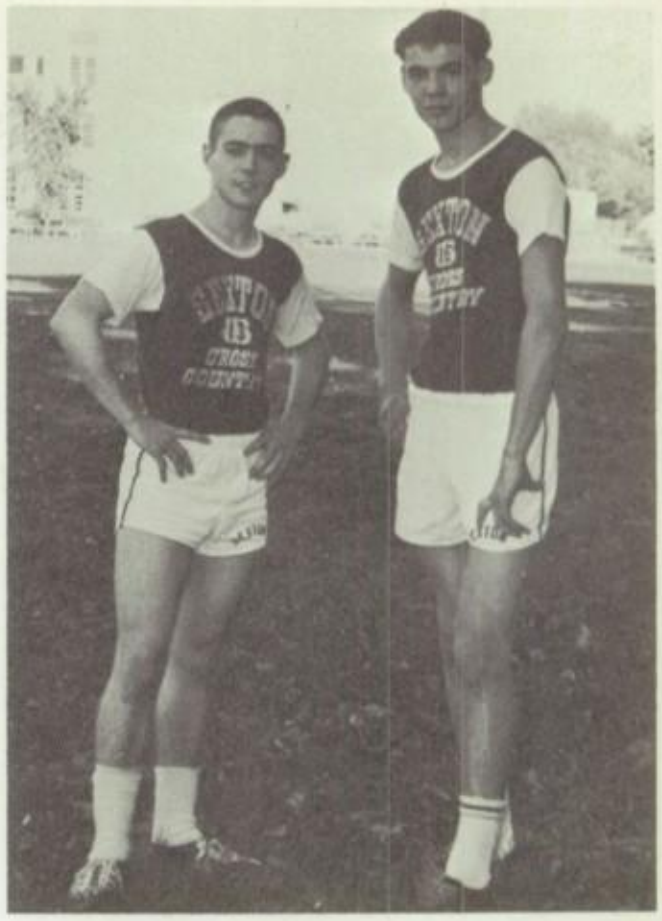
Cross Country

Although the Cross Country team did not have a winning season according to the record books, tney did capture the City Championship at Grosbeck golf course. Mr. Reid, new coach of the Cross Country team, was primarily interested in building and developing a strong team for next year. With many returning lettermen, next year's team should be one of the best in recent years.



Co-captains Bob Wilcox and Gordon Dewey lead the harriers to the City Championship.

Mr. Matt Mann, III

Matt Mann's '61-'62 Swimming Team got off to an impressive start with four successive victories over local opponents, two of them over our crosstown rival Eastern. However the team then ran into rougher water and lost the next four dual meets before coming back to victory. When the ripples in the pool came to rest at the close of the season, the Big Red Tankers had posted a record of 8 wins to 5 losses.

One of the highlights of the season was the record-breaking performance by senior Bill Heckert in the 200 yard Free Style. Bill set a new 6-A record with a time of 2:14.4.

Although the team is losing a lot of senior talent, the outlook for next year's team is good. Coach Mann is looking toward some promising underclassmen for substantial support for next year's tankers.

Captains Gerry Kelley and Bill Heckert examine the pool records with Coach Matt Mann.

Managers Mike Sexton and Bud Klettke time the Medley Relay.

172 State Champion

DAVE PORTER

The Big Red Grapplers had a very successful season again this year. The matmen ended with 12 wins and 2 losses for the season, and brought home the new City trophy, the 6-A trophy, the Regional trophy, and the State Runner-up trophy. The two losses of the season came against Ypsilanti, the State Champions 20-22, and against Eastern in the final meet. This meet did not count on the 6-A standing. Jeff Pollard was out with flu and Bob Hansen tore a ligament.

The grapplers took four first places in the regionals; Elmo Hudson at 120, Lyle Belknap at 155, Jim Maidlow at 165, and Dave Porter at 180. In addition we qualified Jeff Pollard, Bill Allen, Jack Mole, and Bob Benge for the State Finals. In the Finals, Dave Porter ended up State Champion at 180 pounds. Jim Maidlow was third in the state, along with Jack Mole. Elmo Hudson finished fourth as did Lyle Belknap. With six of eleven starting wrestlers coming back, Mr. Konrad expects to do equally as well — if not better — next year.

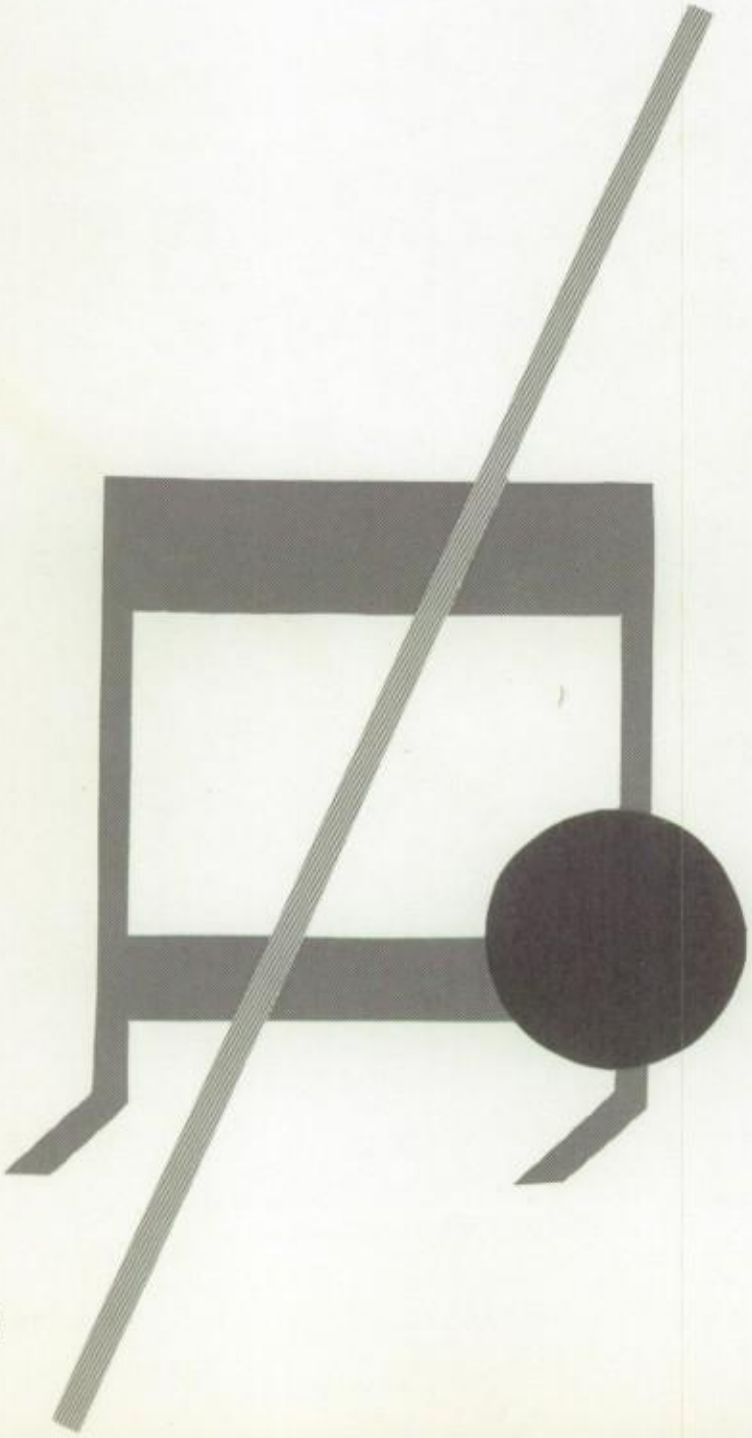
Dick Allen wins the 100 yd. dash . . . by a nose.



The 1961 season was a very successful one for the Sexton Track Team. The thinclads won all of their dual meets and took first place in the Central Michigan Relays, in the Albion Relays, and in the State Regionals. This excellent season was heralded by the first meet with Grand Ledge, in which Sexton literally ran over the opposition, 102-7. One meet later, we smothered our crosstown rival Eastern, 80-29. From then on, it was an open track for Sexton as they skimmed through the rest of their dual meets without any real trouble and took the City and 6A Championships by wide margins. This extended to eighteen the string of wins that Sexton has in dual meets. The great season in '61 was mostly due to the tremendous depth of the team. This depth accounts for the fact that Sexton never failed to score in all events during the year. There were nine members of the team who stood out in this group of great trackmen, Mike Rainge who broke the City high-jump record; Bill Snell who was State 440 yard dash Champion; and the members of two relay teams, which never failed to come up with a "first" between them –

– and more often with two "firsts". With many returning lettermen, the 1962 team should do even better than did the '61 team. Some of these lettermen are Dick Allen, Russ Ridge, and co-captain Roger Frank, dashmen; Bill Snell, the other co-captain who broadjumps and runs the 440 yard dash; Gordon Dewey in the mile; Gary Weston, Gene Esch, and Dennis McDowell, pole vault; and Larry Ruhf, shotput.

Bill Snell 800 yard dash—City, 6A, Regional champion, 2nd in the State.

Dennis McDowell will be back this year to try to better the 12 ft. 2½ inches that he cleared last year.

4th row: B. Tucker, B. Lorraine, Coach Campbell, Coach Little. 3rd row: B. Darden, P. Maffet, L. Belknap, D. Chisolm, F. Wager, L. Lenz. 2nd row: W. Dennis, T. Anderson, B. Saleska, D. Morgan, A. Gloden. 1st row: M. DeMont, J. Robinson, D. Lambie, H. Miller, J. Chouinard, T. Larson.

Sexton's Baseball Team finished the year with a .500 season. The team started slowly and at the midway point of the season showed a record of two wins and five losses. However they were on the upgrade, and during the last half of the season turned in a performance record of five wins and two losses that reversed their previous record. The team was actually better than the record shows, for Jackson who took the league championship was the only team to beat them twice. The returning nucleus of letter winners should make Sexton a threat in the 6A title race for '62. These lettermen are Bob Tucker, Bob Lorraine, Bill Darden, Paul Maffett, Lyle Belknap, Fred Wager, Larry Lenz, Willis Dennis, Tom Anderson, and Mike DeMott.

Tennis

The Tennis Team was simply outclassed by stronger opponents during the 1961 season. However, they still were able to bring home two net victories over our neighbor to the south, Everett. This year the Big Red Racketmen will be looking up, hoping to spearhead a more formidable attack on the courts. The basis of the '62 team will be returning lettermen Blaine Warner, Jim Lott, and Jim Ramsey.

Last year's Golf Team was one of rebuilding. Half of the team was composed of underclassmen who received much valuable experience in team competition. Although the season was not a good one, the golfers lost in many cases by only a few points, and on three occasions they lost on play off holes. The lettermen that are back for the 1962 season are John Phillips, Dave Monroe, and Dick Flading.

Miscellaneous

In the last section of the book are recorded those miscellaneous items that help make Sexton complete. The Co-op section (pages 206-207) is a unique feature of our educational program. Awards given to the June 1961 graduating class (page 208) are also included. Advertising is a very important part of the yearbook. Without the cooperation of these patrons, the book would be too expensive to publish. The senior directory is combined with the ads (pages 209-223). To allow its readers to find pictures more easily, the Oracle includes an all-school index (pages 224-231). Finally, on the last page is printed a letter from the editor to the readers of the 1962 Oracle.

LANSING PUBLIC SCHOOLS
LANSING, MICHIGAN

J. W. SEXTON HIGH SCHOOL

CHRISTIAN H. ROOSENRAAD
PRINCIPAL

April 13, 1962

Dear Reader,

In this the seventieth edition of the Oracle we, the staff, have endeavored to present a pictorial record of the passage of one school year. Using as a theme those necessary implements which we all use in achieving our life's ambitions, the staff has portrayed the students, the faculty, and the various elements that, in combination, produce a school year at J. W. Sexton High School.

I gratefully acknowledge those persons who have so abundantly given of their time and talent in the making of this 1962 Oracle. I have learned many valuable lessons in understanding people in my position this year. I am very grateful for these opportunities and am sure they will become even more invaluable as time and events place me in other situations later in life. I am proud of this publication and the role I have played in its final production. A list of those persons without whose full cooperation this book could not have been published would be lengthy indeed. As I am limited for space, I can give only my heartfelt thanks to them and hope that they will not, as I am sure I shall not, forget those many pleasant memories and associations that work on this yearbook has shown me.

It is my wish that you, the reader, shall find in the preceding pages memories which are treasured, that you shall establish in what we, the staff, have done, a storehouse for that segment of your life spent in school here at Sexton, and that you will value your copy of this 1962 Oracle even more in the years to come.

I shall remain very truly yours.
